DO YOU LOVE US? DO YOU HATE US? WHATEVER YOU THINK, WRITE IN AND TELL US...

giving all her clothes to me and I threw them out the window. Now she was trapped and had to become my sex slave.

Then I pretended that I was Robyn and that someone turned me from an Indian man to a beautiful white blonde girl by making me eat an apple. The person who has turned me into a woman then gets his camera out and starts taking photos of my tits and pussy. That's all I have to say, but tell Lenka, Mili Jay, Kelly, Zoe, Lindsey, Tina and Robyn that I love them. Bye for now.
Mike, Email

Sorry Mike, we can't give out the girls' contact details, but we'll try to pass on your

regards as we do with all the letters to the models.

Now, I'm sure we've all fantasised about having a sexy babe like Tina as a sex slave, although I'm not so sure about throwing her clothes out of the window – she might get annoyed. Your thoughts on Robyn are slightly more offbeat, but as they say – each to their own. And Mike, if anyone offers you an apple, I'd politely decline if I were you...

TIGHT FIT

I've been a reader of MensWorld for more than five years now, and recently I've started doing this thing where I rate the girls out of ten in order to work out which ones I like the best. So far this year there's been a few nines and even a nine and a half, but never a ten. Well there hadn't, at least, until I clapped eyes on the beautiful Julia from volume 21 issue 11.

You see, I love curvy blondes

SETTING STANDARDS

Dear Editor

I think Ayva, from volume 21 issue 11, is one of the sexiest girls you've ever featured in the magazine, but I can't understand why you shot her on such a rubbish background. The leather couch was dark and boring and the picture on the wall looked like it was the work of a small child – do you not think that such a fantastic model deserves a better setting?

Personally, and I'm obviously no expert, I believe that Ayva would suit a lighter background to contrast with her dark hair. You should really have a word with the photographer and tell him try harder on such matters.

Graham, Portsmouth

Yes, you're right Graham, looking back at that Ayva set now the background is a bit dodgy. But in our defence, when you get offered some new material of a truly stunning girl you don't really want to turn it down, even if she has been photographed in front of a painting that looks like it's been done in the dark by a colour-blind chimpanzee. With Parkinsons.

You're right about the lighter colours too Graham; the whole thing is just way too dark. So please accept our apologies and keep the comments on our sets – or anything, for that matter – coming. We'll pass them onto our photographers and maybe it will give some of them a kick up the arse [Only kidding guys! No, but seriously, sort it out...]

FERTILE IMAGINATION

My name is Mike, and I just wanted to say how much I enjoyed the photographs of Zoe, Lindsey, Tina and Robyn from volume 21 issue 10 and Lenka, Mili Jay and Kelly from volume 21 issue 11. I would like to contact these beautiful girls and become friends with them. Do you have their mobile phone numbers or email addresses?

The pictures of Zoe made me wish that I was in the same room as her. I feel that she is calling me god in her photographs and that she wants to please me by letting me view her beautiful bum and sweet tits.

Also, I have always wanted to have sex with a gorgeous Oriental type like Lindsey, and when I saw Tina stripping off I imagined that she was calling me a pervert and that I was a university lecturer and she was my sexy student coming to me for advice. Tina ended up

with big bottoms, so she was perfect for me in that respect, but the icing on the cake was the tights. To be honest, I didn't even realise I had a fetish for nylons until I saw Julia wearing them, and the way her plump bumcheeks swelled through the hole in the back was just incredible. I started wanking the moment I clapped eyes on her pictures, and I haven't really stopped since!

So, Julia has to get a ten, as she ticks every box for me. I wonder if any other readers have a marking system for the girls, and if they've ever given out a top score before.

Ian, Macclesfield

It's always good to hear when we've switched our readers on to something different.

Quite a few write in about the different kinds of lingerie that they like to see, but tights tend to get overlooked a little.

As for scoring systems, we do like to rate the girls in order to establish which ones are good enough for MensWorld, but we mark them out of a hundred in order to give us more room for manoeuvre. And just for the record, we've never awarded top marks. Yet...

PRIYA

PHOTOGRAPHY: HOLLY RANDALL

WorldMag

Stunning Indian pornstar Priya Rai is a huge favourite of ours here at *MensWorld*, and it's not just because of those big tits and sexy curves – she's a lovely person, too.

Some girls are grumpy, others are really moody and awkward, but with Priya there's always a good atmosphere, with loads of laughing and joking around on set.

"I enjoy my work!" she told us when we asked her why she never moans about anything – our constant erections, for example.

"And I love it that you all really seem to appreciate my body."

Yes, Priya is a pleasure to work with – in more ways than one!

BIG TIPPER!

When most people go to a restaurant for dinner, the night usually winds down with coffee and a nightcap or two. Well, I'm not most people. What I am is a leggy blonde who's dripping with high-class bling. Plus, I'm brazen as fuck, to boot. It's that shameless streak of mine that recently led to a bout of unbridled filthiness at a posh restaurant.

I'd arranged to meet a male fuck buddy for a late dinner. I'd booked the table for a mere hour before the restaurant was due to close, as it was only to serve as a starter for the sexual feast to follow. Well, I was sitting there sipping a Cosmopolitan, getting progressively hornier, when my date called my mobile to grovellingly explain that he'd been unavoidably detained at the office.

"Fine. Enjoy the rest of your life, loser," I said, and cut him off. How was I going to get my fill of cock now?

A fit waiter in all his liveried glory approached my table. "Oh dear," he said. "May I be so bold as to suggest another drink, miss?"

"Yes you may," I replied. "But I'd rather you were bold enough to bend me over this table and fuck me senseless." I told you I was brazen!

"Well," the waiter said, "if that's the way you like to play it, I can oblige you after hours. Tonight me and my girlfriend have to lock up after the rest of the staff have gone home."

"Girlfriend?" I said. "Interesting... So which one is she?"

"Over there," he said and pointed at a gorgeous blonde waitress. "So are you interested?"

I nodded that I was, pointed at my empty glass and said, "But let's keep that flowing."

Later, when the last staff member had gone, the door locked and the blinds drawn, Henry – the waiter – said, "Okay, assume the position."

I ALMOST CAME FROM
GRINDING MY PUSSY
AGAINST JOHN'S LEG

"But where's your girlfriend?" I asked, equally as eager to savour

her cunt as I was Henry's cock.

"Here she comes now," he answered. I turned to see her walking towards us from the far end of the restaurant – completely naked. Nice. Saying nothing, I did as Henry had asked me to do. I wriggled out of my knickers and pulled my skirt up around my waist to give him a good look at my smooth-shaven gash and tight arse. "Oh yes," he said with relish. Then he unzipped his trousers, pulled out his swollen dick, and started bumping the head of it against my pussy lips.

I gasped as Henry gently eased his helmet inside my slit. I gasped more when he started quickly popping it in and out of it. As he did so, his girlfriend Lucy – to whom I was never formally introduced – hopped up onto the table and slid in front of me with her legs spread wide and bent at the knees. Then she inched her way towards me until her cunt was directly in front of my face. It was pretty clear what she wanted,

and I wanted it too. Burying my face in her pussy, I drank deep, lapping and smacking my lips as I did so.

By now Henry was fucking me gently but deeply, and it felt incredible. Every now and then he'd grab me by the hips and vary the speed of his strokes. The first time he did so I withdrew my tongue from his girlfriend's cunt and rammed three fingers into its sweet wetness. She let out a yelp of pleasure, and started thrusting herself harder onto my digits. Then a look came over her face that said she was about to blow – and seconds later she did, in a blur of quivering flesh and squirting juices.

As his girlfriend lay in front of me with her eyes closed, panting, Henry suddenly said, "You ready?"

"Am I ever," I replied, emphasizing that remark by slamming backward so that his balls slapped against my pussy, his dick buried inside me to the hilt. That's when Henry finally went into overdrive, slamming his cock in and out of my cunt with a ferocity that took my breath away. Then I began tingling from head to toe as one of the most amazing orgasms of my life exploded in my twat, flooding my entire body – at the very instant that Henry filled my cunt with jizz. I decided then and there to book a regular table...

TIGHT WEDDING!

There's nothing in the world I like better than anal sex with my boyfriend. In fact, it was our mutual love of arsefucking that brought us together, on the day we met at a wedding reception.

Although I'd never spoken to John, I'd seen him around enough times to have taken quite a fancy to him. So when I heard he'd also been invited to the event, I resolved to make a play for him. I dressed to impress in a tiny pearl pink satin mini-dress, which only just covered up the goods. I also wore stockings and – and here's the really dirty part – no panties. I knew that I'd be revealing a lot sitting down or bending over in that outfit – and that was the whole point. Inappropriate attire for a friend's wedding, maybe, but I was on a mission.

Come the big day, I'd made an impression on pretty much everyone there. After the wedding itself was over, the bride and groom made their grand exit, and everyone began the serious business of getting drunk. A marquee had been set up in the grounds, and loaded up with tons of booze, which we guests proceeded to work our way through. As evening fell, I spotted John leaving the crowd in the marquee to smoke a cigarette in the garden. At last, my chance.

I quickly caught up to him, and asked for a cigarette. I wasn't really a smoker, I explained, but these big occasions always made me nervous. It really didn't matter what I said – he wasn't listening anyway. All his attention seemed to be concentrated on my pubic area as my hemline fluttered in the gentle breeze, evidently giving him teasing glimpses of my pussy. We exchanged smiles, and that's all it took – suddenly we were in a clinch. It was quite a petting session – I almost came just from grinding my bare pussy against John's leg. I probably stained his trousers with my pussy juice.

Locked in a clinch, we gave no thought to the few people passing by in the gathering darkness. John hustled me off to a secluded corner where there was a low wall, which he sat on with his trousers yanked down. Taking my cue, I squatted down on his lap, ready for action. But even though I was about to fulfill a long-held desire, I still had enough presence of mind to avoid any risk of pregnancy. Since I'd rubbed pussy juice all around my nether regions, I knew that my arsehole would be lubed up enough to take a cock. So I leaned back and pushed my hips forward so that

CODI

PHOTOGRAPHY: HANK LONDONER

Codi Milo is a porn superstar, and although she's but 24 years young and has only starred in a relatively modest 33 movies so far in her career, I think it's safe to say that she's one of the most popular girls in the business.

Indeed, I wonder if Codi has used that globe in the background of this set to try and find a country in which she hasn't accumulated a sizeable fanbase of blokes keen to see more of her plump breasts and beautifully rounded bottom.

Unlikely, perhaps, as she's seemingly far too busy stripping out of her black bra and gold-bedecked undergarments to worry about territories yet unconquered, and with sizzling shoots like this one we get the impression that things like that will naturally take care of themselves.

Indeed, last time Codi appeared in the magazine we received appreciative letters from as far flung as Ghana. Beat that!

KNOCKER UP!

Our US porn correspondent Renee Preston boldly goes where other poohounds fear to tread. This month she juices up on the set of Lethal Hardcore's *Big Bodacious Knockers 7*. Rack 'em up, Renee...

Big Bodacious Knockers 7

Starring: Shyla Stylez, Angelica Raven, Katie Kox, Kya Tropic, Sonya Sage, Steve Taylor, Mario Cassini, Chris Strokes, Billy Glide, Talon.

Directed By: Chucky Sleaze.

Produced By: Stoney Curtis.

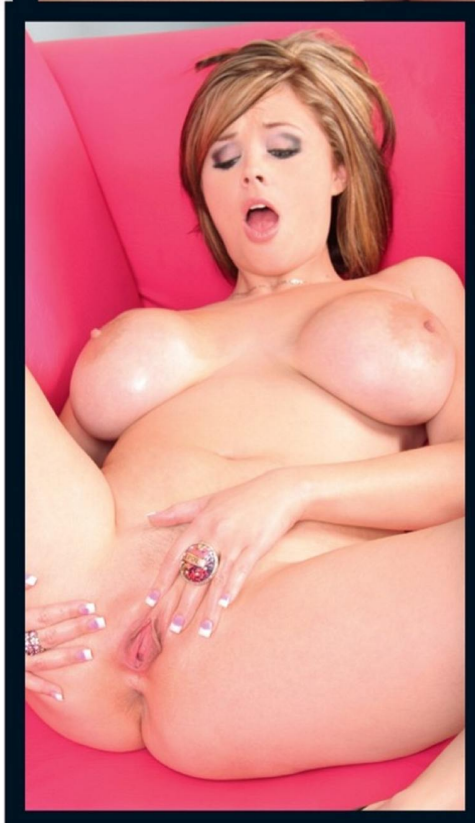

Available From: Lethal Hardcore.

Without the need for complicated dialogue or intricate plotlines, Lethal Hardcore has always been committed to providing their viewers with the utmost in hardcore fucking by going straight to the action instead of filling their movies with unnecessary fluff. Today is no exception.

On the line are ten huge melons, perfectly plump and ready to bounce in the seventh installment to this tit-tacular series. When you combine these five beauties with hand-selected studs and director Chucky Sleaze, you've got the winning recipe for a movie that does away with mere handfuls in lieu of overflowing cups. Thankfully, *MensWorld* has been granted a front row seat to watch all of the bra bustin' and cock suckin' unfold and gets to take you along as the titties hit the floor!

Spilling out of her shirt first is Shyla Stylez, a blonde bimbo who needs no introduction. Looking more beautiful and bountiful than ever, Shyla is already sprawled out in doggie position on a hot pink sofa when I walk through the door. Billy Glide is right behind her, lifting up her yellow dress and tickling her crinkly arsehole with his tongue.

"Ram that tongue deeper," Shyla growls,

sinking her nails into the faux leather chair and burying her face in the patchwork pillow. "Keep that face and your beautiful ass up," director Chucky Sleaze requests, swooping in to get an in-er-face shot of Shyla's pussy as clam juice begins to seep down her inner thigh. "Is he making you wet?" Sleaze asks, when switching his attention to her beautiful face as she bites her bottom lip and nods in ecstasy. When the camera makes its way back to the action, Billy is hot on her snail trail. With an outstretched tongue, he licks up the sweet syrup and pats it on his lips like balm. "Fuck yeah, this bitch is ready to go!" Billy announces to the crowd.

With her delightful derriere bobbing in the air, Billy takes this as the perfect opportunity to spit a wad on his cock and jab it inside her wet hole. She holds her breath when his monster cock initially impales her pussy. After a few preliminary pumps, Shyla is ready to go, proving the point by thrusting her body backwards

against his cock! "I can take all you have to give... and then some!" she purrs, pulling her bumhole open to give Billy a glimpse inside.

After several minutes of dog pounding, Shyla spins herself around to suck her slime off of his cock. She opens her jaw to near snapping point and curls her tongue underneath his veiny shaft. With a face full of meat, Shyla braces herself on the sofa until every inch of Billy is resting down her throat. She comes up gagging and spitting, seemingly happy that she's accomplished the near impossible. "No cock is too big for me to handle!" she beams, later getting her cupcakes frosted with splooge

as Billy unloads his fury onto her boobs.

After an ample tease session and sexy interview, Katie Kox takes her spot on top of the same sofa that Shyla just got nailed on. Katie swoops right into action by rubbing warm oil onto her humongous hooters before licking her nips and jiggling her jugs for the camera. "Do you want to watch me get fucked?" she coyly asks, while batting her long lashes over her beautiful hazel eyes. The camera nods.

Before her words have time to clear the air, Mario Cassini has got this babe on the floor and is stabbing her mouth with his meat until his balls actually slap against her chin. She

giggles at his frantic display before securing his prick between her chest buns for a great titty fucking session that leaves us all breathless.

Now with his cock twice as large as before, Katie rolls onto the sofa and opens her legs up in missionary position, as if to say 'come and get it'. Before Mario's allowed a full admission ticket to play on her rides, she teases him briefly by pulling her meat curtains open and pinching her clit until both become red and delicious. With her legs spread out in a perfect 'V' formation, Mario kneels down and secures his sword inside her wet spot. He bangs her hard, holding her back by the ankles while she sucks and yanks on her big tits throughout.

"Kill that tight little pussy!" she pleads, before releasing her slippery slop over his cock when she's overcome by her first orgasm. While her O train is still in the station, Katie quickly repositions herself on top of his thighs in reverse cowgirl in the hopes of reigniting the orgasmic sensation. Although she proves to be a few seconds too late, the camera certainly has the perfect opportunity to capture her hanging hooters flopping in the wind. After a few more heated positions, she finally reaches her goal, as evidenced by a rush of gash gunk that glistens against her pale skin. "Oh my gawd yes!" she shouts as a creamy explosion rims their crotches, ultimately coaxing a big load out of him that seals the second scene of the day in style.

As the final drops

of semen hit Katie's bodacious knockers, Angelica Raven is heard moaning from behind the scenes. She's been watching the action and stuffing her fingers into her hole the entire time. "You naughty little minx!" Sleaze jokes before asking her if she's ready to get screwed, blued, and tattooed by Steve Taylor.

"I'm always ready to fuck," she smiles, as Steve, her cock for the day, strokes up his prick to the sight of her squishing her boobs between her biceps. When given the green light, Steve folds Angelica in two and eats out her fuzzy buttocks as if programmed to do exactly that. "Mmm, tasty," he remarks after getting a mouthful of her rumped rectum. Squealing with delight, she tugs herself open and constantly looks behind her shoulder to watch his tongue go in and out of her holes.

"Do you like to watch?" Sleaze asks, as she opens her buttocks with both hands and responds with, "Do you?"

Once both of her holes are polished and ready to go, Angelica climbs on top of Steve in cowgirl to grind her cunt into his crotch. With bucking hips and curled toes, Angelica gets busy and doesn't let up until the liquor between her legs is equal to the sweat rolling off her back. "Ahhh, so good!" she sighs, as she tries to regain control of her breath and her quivering body.

Steve gently rests Angelica on a leopard pillow before shedding his bedside manner and going for broke between her legs. With screams that pierce the air, Angelica gets lethally plugged for several more minutes. When the action only calls for one more position, Angelica keeps on going to the delight of everyone and delivers two! Finally, with no more liquid left in her body, the scene ends with a well deserved cum shower that helps to smolder the heat rising

from her Angelica's heavenly body.

Despite the innocent look of her sexy schoolgirl uniform, complete with a pleated skirt and cotton blouse, Sonya Sage is more like a raging bull than a submissive student. Talon, a well-trained veteran, is quick to show her who's boss, however, when he pushes her to her knees and shoves his cock down her throat. Before she is able to get a word out, his balls are resting on her tongue. With formal introductions being kicked to the curb, Talon sinks his hands into her black hair and power drills his hips into her head. "Open up. Open it up!" he charges, as she is given no choice but to open wide and take it all in stride. Once her

spit begins to dribble from her neck and collect around her feet, she looks up and cries, "Don't stop! More!"

More is exactly what is delivered as Talon makes his way through her holes, contorting

this meaty maiden into four hot positions, including doggie and cowgirl. Sonya hits an all time high once Talon rolls her over onto her side in a makeshift spoon arrangement. With her big arse facing the camera, Sonya loses control. Before too long, her left leg begins to crawl up the wall until the tip of her red shoes hooks into the drywall in front of her. "Watch the legs," Sleaze laughs as Talon continues to pound away while Sonya wiggles and wails. When it is time, our sexy student is positioned in front of Talon's legs and is used for target practice. She giggles and coos as his shower of cum bullets nicely spot her teeth and sweaty tits. When the last drop hits the floor, I hit the road.

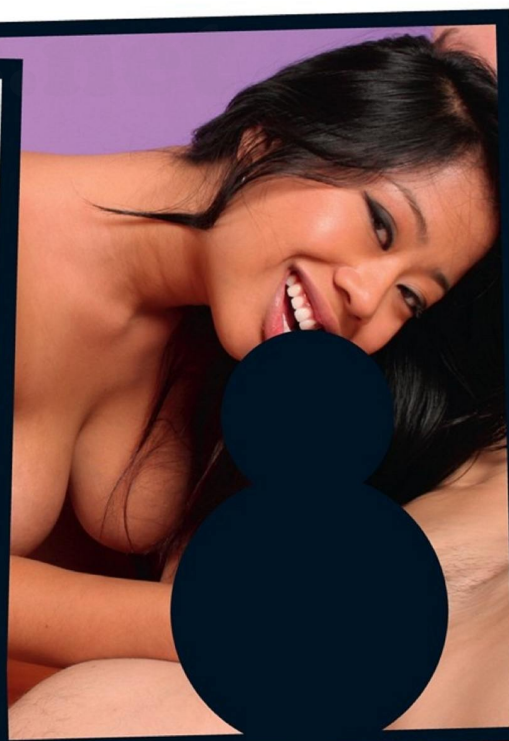

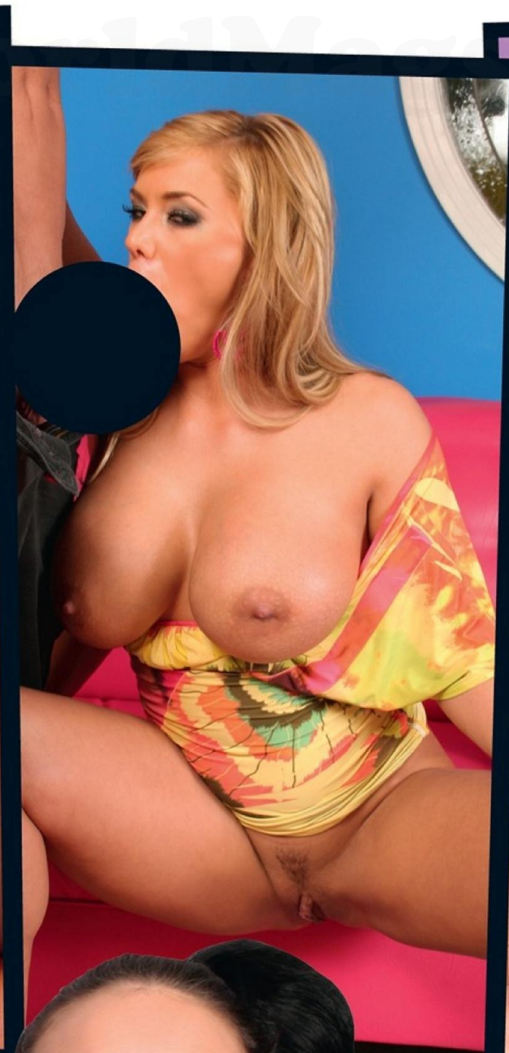

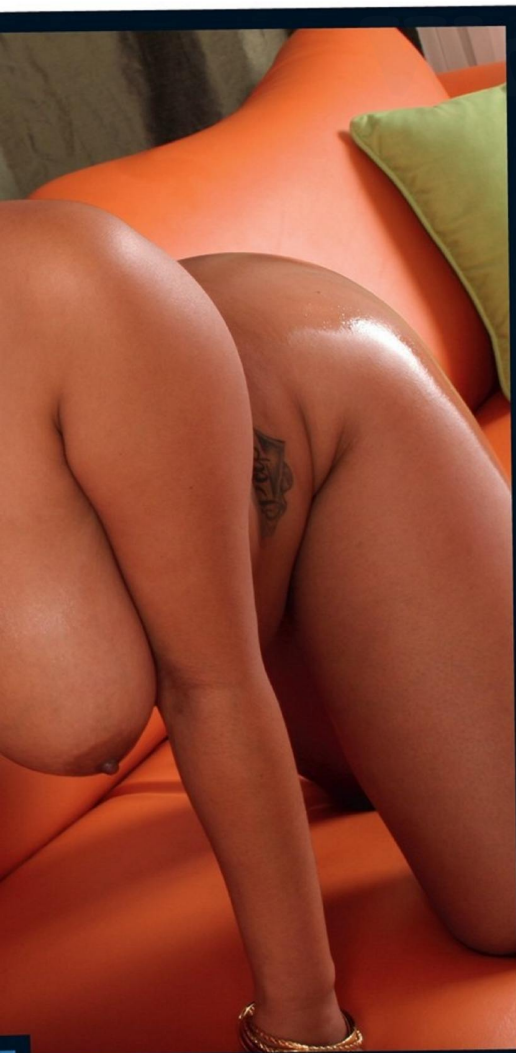

Although these four top-heavy honeys have enough titty meat to keep you boob lovers nice and full, Kya Tropic is another inclusion to the bunch. She does a fine job at completing the big booby lineup and impresses with amazing oral skills and a roll in reverse cowgirl that are sure to be crowd pleasers.

With titties as fine as these, and plenty of hardcore footage to keep the action poppin', *Big Bodacious Knockers 7* scores a homerun and clearly deserves attention from your ball and your bat!

CONNY

PHOTOGRAPHY: STEVE COLBY

WorldMags.net

If I had a pound for every time Conny has appeared in *MensWorld* then I'd definitely be able to afford a decent lunch for a change, rather than the sweaty cheese and pickle sandwiches that have been sitting in my rucksack all morning.

And if she'd appeared as many times as our readers have requested her over the past few months then I'd be eating like a king. Well, at least a freshly made baguette from Marks and Sparks anyway, and perhaps even some crinkle cut crisps and a bottle of freshly squeezed orange juice to boot – delicious!

You see, Conny's the type of girl that our readers can't seem to get enough of, and there's no prizes for guessing which of her many fine attributes you love the most. Let's just say they're big, juicy and beautiful... and they'd make a perfect two-course lunch for one.

THE WEIRD WORLD OF PORN

WE GO BEHIND THE SCENES TO CHECK OUT PORN LEGEND SUNSET THOMAS' NEW PLAGGY PRICK-HOLE...

As if there aren't enough porn stars around, there's a whole massive industry that exists alongside the sucks-for-bucks babes that literally makes artificial duplicates of their cunts, mouths, arses and tits just so adult video fans can feel that much closer to their favourite on-screen fornicators. Some half-dozen manufacturers based in the Los Angeles area specialize in creating exact replicas of hundreds of adult starlets for easy at-home humping.

While the subject of the actual use of such faux-carnal celeb products can be a touchy one for the purchaser, the fact is that lines of non-real porno pussies and the like are a near-billion-dollars business, only second in the erotic economy to the sales figures of X-rated movies themselves. How exactly are such items made? Are they really the exact duplicates of the porn stars

tell you.

"I hide nothing in my life – my personal life, my porno life, and now my moulding life!" yelps the veteran blonde vixen of hundreds of hardcore films as she sheds her clothing in a backroom of Doc Johnson – no, not a Hollywood plastic surgeon, but rather the largest, most famous, best-selling producers of porno body parts on the planet, "When a guy buys a Sunset Thomas cunt, I want him to know he is getting the real deal, so take as many pictures as you want!" Sunset is getting her pussy moulded, and she has decided to allow the entire procedure to be documented for porno posterity.

After getting naked and lying down on a special moulding table, the tall busty Sunset is chatty as the small team of three men silently and laboriously applies a pail of white goo to her pussy-area. Her eyes are closed, but as the cool, wet, mushy crap hits her twat, she giggles, "I know, I've had worse poured

over my twat, but this was still very, very weird! If I was a big fan of some porn girl, and I knew it probably ain't gonna work out that you can bang her, I'd buy a plastic body part! Just think, you don't have to take it out to dinner, meet its parents, put up with it being on the rag, or wear a condom!"

And in the case of Sunset, you don't have to pay something like \$2000 an hour to bang the real thing, which is about what you would have had to shell out to fuck Sunset in-person at the Nevada brothel where she used to work. "I know I can't fuck all my fans, as much as I'd like to, so this is a very reasonable alternative!" she squeals as the cold wet plastic seeps into her cuntural

folds. "But of course that is just my vagina, I am coming back soon to do my tits, my mouth, and even my asshole – I can't wait, and I know my fans can't either!"

"I'VE HAD WORSE POURED ON MY TWAT, BUT THIS WAS STILL VERY, VERY WEIRD..."

they purport to copy? Is sticking your dick in one of them almost as good as the real thing? Inquiring minds want to know, and legendary porn actress Sunset Thomas now wants to

NATASHA & ANDIE

PHOTOGRAPHY: SAGE STYLE

Arranging these lezzy shoots isn't as easy as it might look – you can't just shove two sexy girls together and tell them to get on with it.

Firstly, they've got to be visually very good together, because if the girls don't complement each other or match up then it really won't look right.

They've also got to get on well, otherwise they'll just be arguing and bitching the whole time. Honestly, we once had a model borrow the other's hair straighteners without asking and she went fucking ballistic – the shoot was a complete write-off, with both girls just scowling and frowning the whole time.

Finally, it really is essential that the models fancy one another, as without the chemistry then you might as well not bother. No-one wants to bash one out to a couple of birds pretending to get lezzy.

Thankfully, Natasha and yank pornstar Andie Valentino tick all three boxes. Indeed, immediately after this shoot they sloped off back to their hotel together to, in Natasha's words, "Continue the fun". We've just got one criticism – they didn't invite us along to join in. Spoilsports!

RULES OF MAN

ARE YOU A MAN? YES, BUT ARE YOU A REAL MAN? DO YOU SPEND YOUR SUNDAYS WATCHING SNOOKER, DRINKING BEER AND HITTING NAILS INTO BITS OF WOOD? ARE YOU AS AT HOME IN A CAR SHOWROOM AS A LAPDANCE CLUB? FOR GOD'S SAKE, DO YOU EVEN KNOW HOW MANY MILES YOU GET TO THE GALLON? COME ON MAN, GET YOURSELF SORTED. THESE ARE THE RULES THAT DEFINE A MAN, MAKE SURE YOU OBSERVE THEM... (CAREFULLY!)

MOTORS

Let's face it – the British highways are chock-a-block with shit cars and even shittier drivers. Whether it be those cockbag businessmen and their tarty wives hogging the streets in their disgustingly overblown planet-ruining 4X4 monstrosities, smug families pootling around town and cutting fellow road-users up in their big, bland, characterless people carriers, 'Baby On Board' sign displayed proudly in the back window (what do you want us to do, change its nappy?), or those fucking pathetic little Smart Cars and their pious, right-on drivers who only buy them because they don't know how to park properly, the vehicle choices of this proud nation are like some kind of motorised tribute to everything that's shit about modern society.

Everyone wants to be bigger, better or more worthy than the next person, but in the days when men were in charge of buying the car and went for motors with a bit of character that would get them from A to B, women were only allowed to drive on Sundays, and families only ever went as far as the tip for a day out, things were much less cuntish.

Whatever happened to the likes of the Capri and the Cortina or the Escort? The Montego or the Datsun Cherry? Solid men's cars with real character, go-faster stripes, a fucked exhaust and chiselled masculine lines designed for every situation that life could throw at you.

So you'd just passed your driving test? Well, that was fine, because these classic motors looked great and were perfect for wheelspins, driving at

breakneck speeds down country roads, and a few dents here and there would only add to its credibility.

As for impressing the ladies, no female could ever fail to be wooed by the promise of a ride in a rusting Ford Capri or Escort Ghia with a dodgy heater followed by a bunk-up on the leatherette back seat.

And when you finally decided to settle down, what had previously been your 'passion wagon' could be transformed into the perfect family saloon with the addition of a couple of baby seats in the back, the all-important roof-rack, and a magic tree dangling from the rear-view mirror.

Simple, and also proof that the human race actually managed to function without family saloons with enough seats to transport a rugby team, gigantic, dumb-fucking 4x4s and crappy little Noddy cars – and they did it without looking and behaving like a bunch of ponces and twats.

THE MODERN FOOTY FAN

"Malouda has started 12 out of 16 games this season and has come on twice as substitute. He's got a 78% pass success rate, 8 assists, 2 goals – both with his left foot – and he generally plays better in an Easterly wind."

And you thought you'd just gone down the pub to have a few pints with the boys and enjoy the match on the big telly. Well, you were wrong, because thanks to the modern day obsession with mindless 'Match Facts' there's now much more to watching footy down the boozer than

just shouting things like 'You dirty bastard!' and 'Fucking Hell Ref!' at the giant screen every now and again and cheering when your team scores.

Nowadays, if you don't know how many shots on goal your side had in their last game, not to mention the number of throw-ins and crosses, then you might as well stay at home and watch *Emmerdale* with a white wine spritzer, because only real men can converse in the modern football fan language commonly referred to as 'Mindless Stats' or 'Conversational Sky Sports'.

"Arsenal have scored 16 times from open play in the last 23 three games, and seven of those were headers."

"I know, and they've only conceded four in the last nine matches, three of those from corners."

"And averaging 51% of possession in midfield."

"52% in the final third..."

If you're not up to speed then prepare to be shunned by your peers, because in order to be taken seriously as a football fan these days you've got to have a catalogue of facts and figures at your fingertips, and not just for your own team – preferably for every Premier League club, a handful of Championship teams to prove you're not a glory seeker, and, for Champion's League Matches, the European sides, too. Special bonus points will be awarded for any references to the Blue Square Conference South and the fucking Principality Building Society Welsh Premier League.

You see, goals are so yesterday, because now it's all about the finer details. As Bill Shankly once famously said, "Football's not a matter of life and death, it's more about how many corners we had in the second half."

IT'S REFERRED TO AS 'CONVERSATIONAL SKY SPORTS'...

CALI LUV

PHOTOGRAPHY: HICKS

Brunette stunner Cali Luv is very much a newcomer to both the adult industry and *MensWorld*, so I think it's only fair that we give her a proper introduction.

Well, it won't surprise you to hear that she's from California or, indeed, that she loves (or luvs) it there. Cali also enjoys shopping, licking pussy, and she once shagged a bloke in the toilet of a Taco Bell, the popular Mexican-style fast-food chain. And just in case you were wondering, her favourite sexual position is doggy-style.

However, and perhaps most importantly, she also seemed to really enjoy this shoot, her first ever for *MensWorld* magazine.

"It's been cool working with you guys," Cali told us after we'd wrapped for the day. "You're all so polite and you showed me so much respect. I've had men leer and stare at me in the past, so that was great."

Kind words indeed, and proof that she must not have noticed the fact that the entire team was nursing stonking boners as she stripped off that skimpy pink underwear. Yes, we all luv Cali, too.

JOLIE COCKY-LICKS

She's an Aztec who doesn't 'tec it in the Az – yet – but Jenaveve is still making sure dicks have a Jolie good time whenever she's on screen...

First off, what is your ethnicity? You are so exotically beautiful.

Thank you. I'm Mexican, Aztec and Apache Indian.

Were you always a secret smut fan?

Yes, when I was eighteen I used to go into a lingerie store back home and buy porn flicks. I was addicted and enthralled with watching people fuck. It made me feel so dirty. I never liked to watch the sweet, soft stuff though. All I really wanted to see was hardcore penetration. I was so bad.

Had you been with girls in your private life before getting into the adult industry?

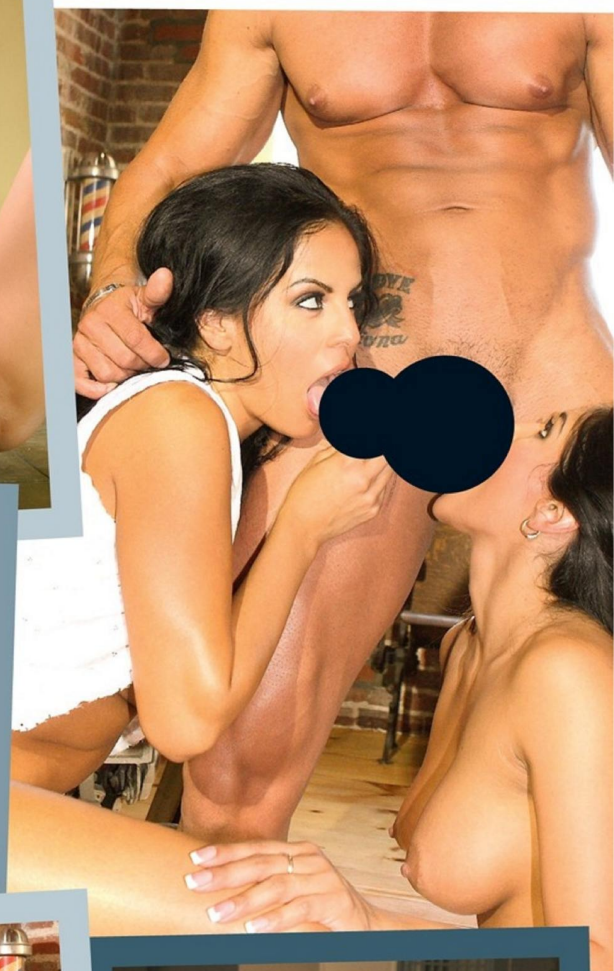

Yes, I was with a girl when I was eighteen. I was invited to a house party and started drinking with a group of girls in the kitchen. One of them asked if I had ever kissed a girl and began to giggle when I said I hadn't. They wouldn't let me leave the party until I made out with a girl. In the end, I made out with every girl there, and fucked the shit out of one of them before I left. We took total advantage of each other. I loved every second of it!

We've seen you warming up with a clit buzzer before your scenes. Is that how you get yourself ready?

Oh yes. I love warming up with a vibrator. It really opens up my pussy and makes me nice and wet. It helps to get me going. That's my secret. Plus, vibrators help make my orgasms so much better and stronger. I never leave home without one.

Is there anything sexual you do in your personal life that you haven't done on film... yet?

I've never done anal on film. I tried it once in my personal life and didn't like it. I think I was just scared and couldn't relax enough to get the cock inside. My asshole is small. If I bent over in front

of you my asshole would remain closed. Girls who do anal have a tiny blossom around their bung. I believe some assholes are just more elastic than others. Just like pussies, some can take a lot and some can't.

In scenes I've had girls bend over in front of me and I can see clear up their butt hole. The dildo just rests right inside, no stretching needed. What can I say? I've been blessed with a tight ass.

What are you best at sexually?

I give a great BJ. You know what, I'm changing my answer. I'm good at everything. I am a sexual athlete. I love having sex so much that I lose myself in it. I want whoever I'm fucking to feel amazing. I love spit, spanking and hair pulling. Bring it on, except biting my nipples. I really hate that but pretty much everything else is fine by me.

Are you able to have squirting orgasms?

I squirted once for a movie I shot with director Axel Braun. I didn't enjoy that sensation too much. It took a long while for a small puddle to come trickling out. It was kind of uncomfortable for me actually.

If a person wants to get in your pants, what should they do?

Well, they would need to act as though they didn't want to get into my pants. I love the challenge. They need to play hard to get. Also, a funny guy who is a little bit nerdy is a total turn on.

And what shouldn't they do?

They shouldn't be all over me. I can't stand that. I also don't give a shit about how much money you have or what car you drive. If all the guy does is talk about himself, I'll lose interest. If you come in playing that game know this... my panties are not dropping!

What is an absolute turn-off for you?

A really sloppy kiss is a deal breaker. It doesn't matter if the guy is super hot and we're getting along really great. If your tongue isn't doing it right or is darting in and out of my mouth, that's it. It's over.

If I was wet before, I'm now dry and walking out. If you can't kiss you can't fuck. Period!

MODEL BEHAVIOUR

OUR MENSWORLD MODELS ARE A RACY LOT, AND WHEN THEY'RE NOT STRIPPING OFF FOR US, THEY'RE USUALLY UP TO SOME KIND OF MISCHIEF. THIS MONTH
NATALIE
PHOTOGRAPHY: SCOTT WARD

NAT

PIERRE WAS
FUCKING MY
MOUTH UNTIL
I GAGGED ON
HIS TOOL...

When I first started modeling just over three years ago, I had no great plan for my career or even an idea as to how long I'd stay in the business. Obviously, models have a certain limit on their usefulness – nobody wants to keep on seeing the same old faces (and other parts!) all the time – but I figured if I could make some decent money to help pay off my college debts then I'd be happy to have some sexy fun for a few years.

The first six months of my career were actually the

busiest. Clearly, photographers are all looking for new faces, so as my pics were emailed from agency to agency the offers of work flooded in. One of my girlfriends described the situation as vultures fighting over a fresh carcass, but those vultures were helping me pay off my credit card bill so I didn't mind being a carcass too much!

Like I say, those first six months were the busiest I've ever been, I was doing three, sometimes four, shoots a week. And, as I'm sure every model will tell you, that's a lot of hard work. There's the travel, staying in hotels and, of course, the pressure to always look good. That was definitely a grueling slog, let me tell you. But I earned more in that first stage of my career than I ever imagined was possible.

A few photographers as well as some model friends had cautioned me to enjoy the busy times while they lasted as things can quickly change in the industry. I

took that advice on board so wasn't too surprised when the pace of bookings slowed down. It wasn't too long before I was down to one shoot a week at most, and sometimes it was only once a fortnight. But that was fine by me – I was pretty content with the occasional porn shoot fitting in around the rest of my life.

I won't mention his real name here – let's call him Steve for now – but there's one photographer in particular who I've always got along well with. He takes great care in his work and always takes the time to make sure my hair and make-up looks just right. I'd heard from other models that Steve would occasionally arrange photo shoots in Greece a couple times a year.

The thought of some free sunshine certainly appealed to me, so when Steve emailed me asking if I'd be interested in going to Greece with him I was definitely interested. He mentioned that there'd be a lot of hard work with maybe some hot European models thrown in too. As far as I was concerned I was already there.

Steve sat next to me on the plane over there and was discreetly showing me locations and models on his laptop. A couple of gin and tonics had relaxed me nicely and now looking at sun-drenched hunks shagging equally sun-drenched girls poolside left my newly shaved pussy tingling. I closed my eyes and imagined myself on all fours as one then two bronzed studs fucked my mouth and pussy. Steve drove the hire car to the villa he'd rented for the week. "Pierre and Toni are coming over for dinner tonight, they're nice guys, I think you'll like them a lot," said Steve as we pulled up to the impressive looking villa.

I decided to not waste a minute of sunshine so went inside, had a quick shower and changed into my white bikini. As I rubbed sun cream into my skin, Steve strutted past me in his Speedos and dived into the pool. He was a good 10 years older than me but was in fairly good shape – he certainly had a nice bulge in his trunks. Just then, Pierre and Toni arrived. They were each carrying a case of beer and were shouting something in French to Steve. They were all laughing but I had no idea what about. In any case, I was too busy eyeing up the two hunks. Pierre was the taller of the two with blond hair, while Toni was shorter and had black hair.

As soon as they'd put the beers in the cooler they came over to say hi. Pierre got down on one knee and kissed my hand and paid me compliments in broken English. My heart was fluttering as I looked him in

the eye and saw that sexy look on his face. "Let us swim, it's a good way to exercise," he said. I stood up and slipped into the pool and then watched, stunned, as Pierre pulled down his swim shorts and let his enormous cock spring free. He grinned at me and then jumped in with a big splash. Toni wasn't far behind and he too got naked before diving in. His cock was slightly smaller yet still impressive. I suddenly felt overdressed so swam over to Pierre and motioned for him to take my bikini top off. He quickly did so. Just then I felt a tugging at my bikini bottoms; it was Toni under the water pulling my last piece of clothing off. Pierre dived under and I quickly felt four hands pawing at my legs, bum and pussy. I was loving the attention and parted my legs so they could more easily get inside me. "Hey, why don't you do that up here on the patio so I can take pictures," laughed Steve.

Pierre and Toni took me arm in arm out of the pool and laid me down on some towels.

HARDCORE VIDEOWWW.PAULRAYMOND.COM/MENSWORLD

I GROANED AS I FELT HIS
SMOOTH SHAVED BALLS
SLAPPING AGAINST ME

Both their cocks were hard now, standing proudly to attention. I rolled over on to my tummy and then got on all fours. Pierre moved in front of me, knelt down and wiped his hard length all over my face before sliding it into my waiting mouth. Toni was behind me, licking my arse and fingering my pussy. He was pushing three fingers in and out of me, my pussy making a satisfying squelching noise as he did so.

The whirr and click of Steve's camera was a momentary distraction; all I wanted was cock in me. I didn't have long to wait. I felt Toni's fat cock nudging against my arse cheeks before he parted my lips and steered himself inside me. I groaned as I felt his smooth shaved balls slapping against my wet skin.

Pierre was really fucking my mouth now, so much so I was almost gagging on his lengthy tool. "Hey, Steve, watch this," he said as he pulled out and sprayed long stringy jets of hot spunk all over my face. I licked it off before reaching down between my legs. I rubbed at Toni's cock then felt his balls tighten as he shot his load inside me. His warm jism flooded my insides then trickled out down my leg.

I rolled over on to my back and rubbed at my clit for yet another orgasm. Pierre brought me a cold beer over, kissed me on the lips and indicated that his cock needed some more attention. And for the next seven hours that's pretty much all we did: swim, fuck and drink beer! It made the next day's shoot seem tame by comparison! Oh, and it certainly made modeling seem like something I could do for much longer...

ANETTA KEYS

PHOTOGRAPHY: PHOTORAMA

Well what a combination of girls we've had this issue – everything from stunning débutante Cali and relative newbie Conny all the way through to porn legends such as Codi Milo, Priya Rai and now, possibly the most legendary of them all, Anetta Keys.

Some might find the decor a little garish, but I think we can all agree that, after countless appearances in *MensWorld*, Anetta still looks absolutely incredible, and far from being intimidated by the new crop of models – she actually thrives on the competition.

"Okay, so I'm a little older than them, but I'm also that bit more experienced," the Czech babe told us during the shoots lunch break. "I think a lot of guys prefer experience, and it would make my day if they turned to my pages before some of the younger girls."

So, for all of you who flicked here first, you've made a famous pornstar very happy. Did you ever think you'd be able to say that?

my pucker came into contact with John's helmet. He gasped in surprise, like he'd struck gold – brown gold. Reaching down, I squeezed his balls to coax him inside. Then I clamped my thighs shut, and proceeded to give John the anal rollercoaster ride of a lifetime.

I propped up my body weight by planting my heels on the edge of the wall, giving me the leverage to bounce slowly up and down on his cock. More thanks to my technique than his, John's meat worked up my bum by degrees, and soon I was moaning so loud that any passers-by would know exactly what we were up to – not that I could care. Nor, evidently, could John, who pulled down the top of my dress to plant his face between my jiggling tits, making a weird sort of "Mwammawamma" sound.

My balance was so precarious, and my arsehole's grip on John's meat so tight, that each of my upstrokes and downstrokes took a good few seconds to execute. But that didn't stop my orgasm building quickly, and it wasn't long before I was cumming. Cumming so hard, in

fact, that the pair of us almost toppled over that wall. Luckily John stabilized us both by grabbing my waist, pulling me hard down onto his cock as he blasted his spuzz up my shuddering bum.

It wasn't just the bride and groom who were united that day, but also me and John. Of course, after that little escapade, we don't get invited to many parties – but as long as we can pursue our shared hobby of public arse sex, we can make our own fun!

Penny, Oldham

MATE'S RATES!

Call me a bastard, but a few months ago I fucked my best mate's girlfriend. To be honest, it wasn't something that I'd intended to do, it's just that... well, here's what happened.

As a way of getting acquainted with his new bird Chloe, my mate Jack invited me over to his flat for dinner. When she opened the door on the fateful night, Chloe proved to be exactly as Jack had described her – a cute, innocent-looking girl with platinum blonde hair and a

gorgeous little body. "You must be Joe," she said, with a smile that shot tingles through my dick.

"That's me," I replied. "Pleased to meet you, Chloe."

She led me through to the living room where she had a bottle of white wine on ice. "Only two glasses?" I inquired.

"Yes," she answered. "I'm afraid Jack's been held up at work."

"That's a shame," I said.

"Oh, I don't know," Chloe said. "I'm sure we can find something to help us pass the time."

That tingle I mentioned? It moved up several notches and gave me a ridiculous hard-on – one that Chloe noticed. "See," she said. "How about that something you've got there?"

"But Jack's my best friend," I said, trying my hardest to look sincere.

"Yes, I know," she replied. "But I'm telling you, what you're packing there puts his cock to shame – and I want some of it."

I thought long and hard about the consequences of what we were about

IT TOOK SOME SERIOUS

up and planted a head-swallowing kiss on my mouth. "That was so I could get a taste of myself," she said, grinning like the proverbial cat that got the cream.

Still grinning, Chloe scooted to the edge of the bed, lay on her front and hung her legs over until her toes touched the carpet. Then she spread her pussy flaps wide and said, "You know what I want. You know what I need. I could see it in your eyes the moment we met – so drill me hard, you bastard!"

At that moment I offered up a silent prayer for the values of friendship, and decided to give Chloe the fucking of a lifetime. Two lifetimes, in fact – hers and mine. After all, she'd already proved that she was the kind of girl who wanted to be fucked, as opposed to be made love to. My instincts have always been spot on about these things.

I jammed two fingers in her twat, then a thumb in her asshole. I wriggled the fingers inside her slit until they were good and gummy, then I slicked my dick with her stickiness. Penetrating her as deep as I could, I started hammering her to hell and back. Chloe thrust backwards to meet my every stroke, and in what felt like no time we both exploded in a mess of jizz, cunt juice and sweat. Needless to say, neither of us see Jack anymore – but that's a price we're prepared to pay.

Joe, Reading

to do should Jack ever find out. Not! Instead, I said, "Be my guest."

Chloe dropped to her knees between my open legs, unzipped my jeans and pulled out my prick. As her lips wrapped around my cockhead, it took some serious control to stop myself cumming within 60 seconds. Her head bobbing on my shaft, Chloe started wriggling out of her clothes. When she was down to her underwear, she stopped what she was doing and said, "Follow me."

Seconds later she'd torn off her pants and was spreadeagled on Jack's bed. Diving on top of her, I clamped my mouth on her cunt. Then I poked my tongue inside her juicy minge and started slurping. She tasted so sweet, I would've been quite happy to spend the rest of my days down there. But Chloe had other ideas. "Don't take this too hard," she said. "But as much as I like getting eaten, I need your cock in my twat, not your tongue." Then she pulled my head

PORN, GAMES, BOOKS AND EVERYTHING ELSE

Fireball

E1 Entertainment, £17.99

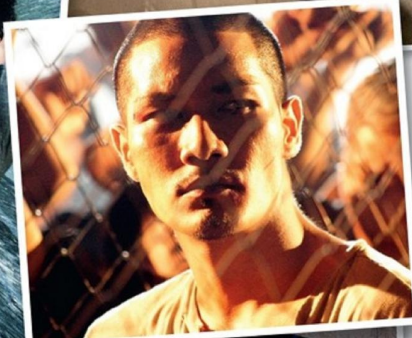

They might not always have the most coherent or plausible plots, but martial arts action movies are always a lot of fun to watch, and all the above applies with *Fireball*.

Set in the world of Thailand's ultimate underground bloodsport – a combination of basketball and brutal Muay Thai boxing where murder is within the rules – the movie follows the story of Tai (played by popular Thai rock star, Preeti Barameeanant) and his quest to avenge the plight of his twin brother, Tan (also played by popular Thai rock star, Preeti Barameeanant), who has been beaten into a coma by a particularly nasty *Fireball* opponent.

Posing as his brother, Tai explores the illegal and deadly gangster-run world of this strange hybrid sport, and, along with a bunch of equally desperate team-mates, enters a *Fireball* tournament and sets out to get revenge on the bloke who knobbled his sibling.

Set at a breakneck pace and featuring some hugely impressive martial arts choreography, this is an all out action movie of the highest order, and reminiscent of the early Jean Claude Van Damme movies, *Bloodsport* and *Kickboxer* – but on speed [that sounds dreadful –The Ed]. Sit back, turn your brain off, and marvel.

We've got three copies of *Fireball* to give away! To be in with a chance of winning, answer the following question: What is the name of *Fireball* star Preeti Barameeanant's Thai Rock band?

Best Of... Never Mind The Buzzcocks

4DVD, £17.99

I think it's fair to say that comedy music quiz *Never Mind The Buzzcocks* enjoyed something of a purple patch with Simon Amstell at the helm alongside team captains Phill Jupitus and Bill Bailey. Now, with Amstell and Bailey having ditched the show and Jupitus left to fend for himself amongst guest presenters of varying quality, much of the dry wit and scathing humour that made *Buzzcocks* so brilliant seems to have disappeared. Thankfully, this compilation concentrates on the three-year period in which Amstell ruled the roost with an acid tongue and an unruly perm.

Clips include a rather pissed-up Amy Winehouse, Preston from the not very famous band The Ordinary Boys storming off the show, and guest appearances from the likes of Stephen Fry, Russell Brand and Lily Allen. But it's the caustic wit and shameless celebrity baiting of Amstell combined with the surreal humour and all-round genius of Bailey that is the real star turn of this compilation DVD.

Our only criticism is that, with a running time of just 90 minutes for three years worth of material, *Best Of... Never Mind The Buzzcocks* is a touch short. But it's still great Christmas voucher fodder.

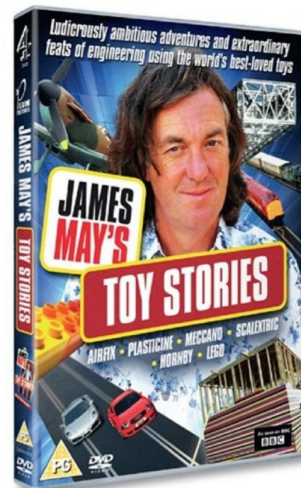

James May's Toy Stories

4DVD, £17.99

Hapless, scraggy-haired, ruddy-faced car buff James May is rarely off our television screens these days. Whether it be travelling around the country swilling booze and bickering with plonk expert Oz Clarke in *Oz and James Drink To Britain*, scouring the globe for weird and wacky inventions for *James May's Big Ideas* or flying to the edge of space in *James May on the Moon*, word now has it that whenever you switch your TV on you're a maximum of 16 minutes away from a broadcast featuring the unkempt *Top Gear* front man.

Luckily for us viewers, the seemingly permanently bemused May is an entertaining presenter, something that really comes to the fore in this, his latest vehicle, *James May's Toy Stories*. The premise is simple, with May taking toys we loved as kids and creating something outrageously ambitious with them. This includes building a 1:1 Airfix model of a Spitfire, constructing a life-size house out of Lego and creating the world's longest train set.

Featuring laughs aplenty, problems to be overcome and some incredible engineering, *James May's Toy Stories* combines old school fun and games with some staggering achievements for the console generation.

MUCKY MOVIES

Knickers Off Harmony

Porn director extraordinaire Strangelove is back with another instalment of stylish smut, and if you like your hardcore fucking all glammed-up and with a healthy smattering of fetish and roleplay, then this news should make you

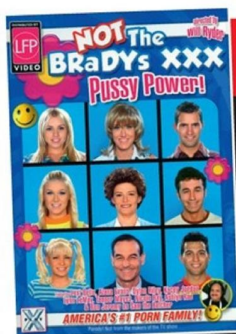

without a mention of sexy Russian strumpet Alexandra Cat domming up on three blokes and emptying their cocks one by one. Yes, this time the cat definitely gets the cream. Superb.

very happy indeed.

The action kicks off with Cindy Dollar. She looks fantastic in a 50's style polka dot dress, and, even better, she's playing with her tits and fanny. A couple of blokes look on, obviously impressed, and soon they're giving her a thorough anal spit-roasting, humping her arse and mouth in impressive synchronisation.

In the sperm bank, two stunning clinicians clad in nurse type uniforms enthusiastically drain the clients of their spunk in a variety of different positions – there's no wanking into a plastic container here – before things go all military, as two female soldiers interrogate their cocksman captive and generally abuse his cock and balls.

Visually stunning and featuring some really, really, really vigorous shagging and lezzy toy play, *Knickers Off* is strikingly shot fetish fucking of the highest order, and such is the variety in this four hour fuckathon that there should be something in there for most hardcore fans. But I couldn't finish this review

Not The Bradys XXX: Pussy Power LFP Video

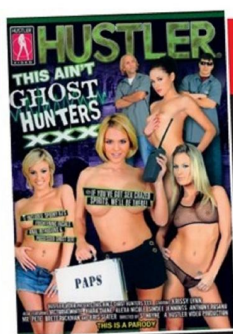

Yes, business is booming in parody land, and with the first two instalments of *Not The Bradys XXX* becoming big hardcore successes, to be quite honest it would've been foolish for Hustler not to gather the 'family' together once more for another fuck-filled outing.

Cute blonde Lexi Belle replaces Teagan Presley as Marcia and big-titted newcummer Dylan Riley comes in for Aurora Snow as younger sister Jan, but other than that it's pretty much as you were, with the Brady girls fucking and sucking while parents Carol and Mike unsuccessfully try to keep them in line.

Admirable support comes from teeny temptress Tanner Mayes as Jan's sex-crazed classmate, who shows Jan how to become popular with the boys with just the use of her pussy. That'll work...

The references to the 70's TV series are fairly superficial and don't really get in the way of the fucking. Although it probably won't satisfy porn fans looking for really hard balls-out action, *Not The Bradys XXX: Pussy Power* is essentially four hours of decent shagging featuring some pretty incredible girls from the very top-drawer of the industry. Is it any wonder this series is such a success?

4/5

This Ain't Ghost Hunters XXX Hustler

Not content with spoofing every 70's American TV show ever broadcast, Hustler have now branched out into the realm of present day trash telly with this jaunt into the world of the 'pornohornal'. Sorry, what I meant to say was 'paranormal'. For those unaware of the delights of *Ghost Hunters* it's essentially *Most Haunted* done by the Yanks. Hence, there's more

whooping, hollering, screaming and shouting, which brings us neatly onto the porno version, *This Ain't Ghost Hunters XXX*, where there's more still of the above. And just like the proper show, much of it is down to ghoulies.

'Things That Go Hump In The Night' goes the tagline, and they certainly do, with the gorgeous and not at all ghostly Krissy Lynn leading the Pacific Association of the Paranormal Society – or PAPS for short – on a search for spectral and sexual activity.

Blonde cocks slut Kiara Diane taps into the spirit world and finds that they want her to get fucked by Anthony Rosano, and sexy Sindee Jennings is a woman possessed as she extracts the ectoplasm from Kris Slater's haunted horn. Okay, so you get the picture. It's a spirited effort.

NOT SAFE FOR WORK

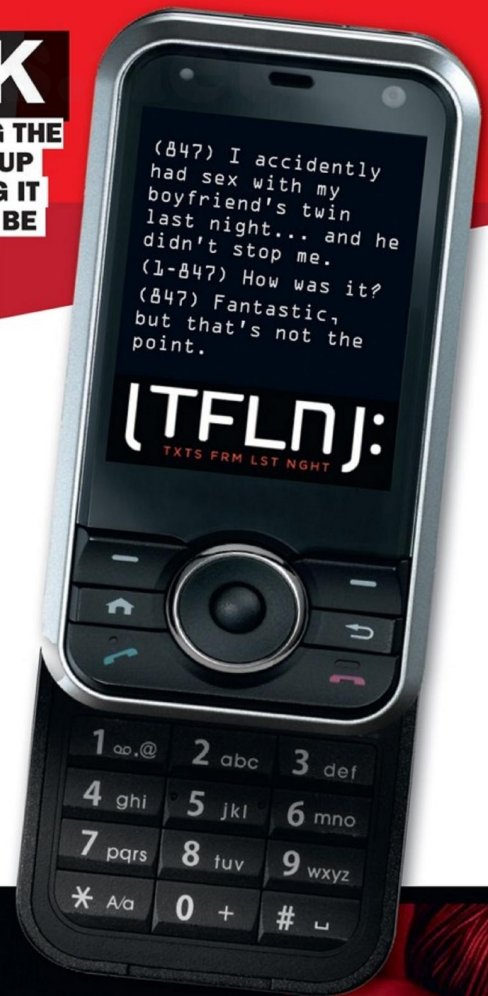

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND...

TEXTSFROMLASTNIGHT.COM

The simple ideas are generally the best, a fact of life that this often hilarious website demonstrates to perfection. People receive texts or have SMS conversations that are in some way funny, embarrassing, or just downright bizarre and then they share them with the good people at *Texts From Last Night*, who put them up on their site for all and sundry to enjoy. The only rules are that nothing viciously offensive, racist or violent will make the cut, and, naturally, all submissions must be good for a giggle.

Texts range from the laugh out loud to the cringe-inducing, with funny messages like 'I just farted, and everyone around me is looking at the fat girl to my left. I win' and 'Just caught Grandpa beating off in the living room' rubbing shoulders with more embarrassing missives such as 'So I went on a date with this girl...and who's our waitress? My girlfriend got a second job she didn't tell me about to afford my birthday present...'. Good, honest, straightforward fun, and a great way to pass on an hour or five. Trust me, I've just done it.

BANKNOTES365.COM

A site that gathers together those notes that bank robbers hand to the cashier and prints what they've written? What's the point of that? Surely they just always say: "Give me the money!" Well, sometimes they're more random, particularly in the case of the robber who wrote a cheery: "I'm Sorry." at the end of his message to the no doubt startled cashier. For a little added interest, *Banknotes365* also prints dodgy photos of the perpetrators, tells you if the robbery was a success or not, and includes any funny little details about the case, like the man who got arrested 30 minutes later while waiting for a bus.

THEBEATLESNEVERBROKEUP.COM

Not if you believe James Richards, anyway. On September 9th he says a cassette tape fell into his hands containing an unreleased Beatles album called *Everyday Chemistry*. It's worth reading the story he's conjured up as to how he came to get the tape – it involves a dog, a rabbit hole, a bang on the head and parallel dimensions – but you can also download the album in all its glory. But who the fuck is performing them? That's for you to decide...

CHEESIPEDIA.COM

Do you know your Danbo from your Ackawi? Your Red Windsor from your Sage Derby? For novices and aficionados alike, *Cheesipedia* is busy gathering together cheeses from around the world, from your more run-of-the-mill Wensleydales and Cheddars to more exotic types such as Italian Caciocavallo – which, incidentally, looks like a bull's bollock – and Chinese Rushan, which is described rather worryingly as 'leathery'. Yum. Divided into countries and featuring images and descriptions for each entry, *Cheesipedia* is your one-stop resource for, erm, cheese.

HEATHER
PHOTOGRAPHY: SAGE STYLE

'Last but not least' as the hackneyed old cliché goes, usually when the thing coming up last is in reality going to be an incredible disappointment to all concerned.

However, anyone who can honestly call Californian goddess Heather Vandeven a disappointment should have a serious look at themselves in the mirror, reconsider, and if they still feel the same way perhaps check themselves into the nearest mental health facility.

Here at *MensWorld*, we've always thought of Heather as being one of the most beautiful girls in the industry, but we're also big fans because there's a lot more to her than just a pretty face, an incredible body, a gorgeous pair of tits, a perky bottom, and so on...

You see, Ms Vandeven has two degrees – Teaching and Art – and she spent two years in the US Army learning, amongst other things, how to handle weapons (fnar, fnar) and hand-to-hand combat. She's also worked in Costa Rica as a jungle guide. No, you could never describe Heather as a 'disappointment' – and not just because she might kick your head in if you did...

GAY EXCUSE

I've dumped a few girlfriends in some pretty horrible ways before, but Amy was the cruellest of the lot. We'd met at this speed-dating thing that I went to for a laugh with some mates. In just a few minutes of conversation something clicked – probably the fact that she was alright looking and I hadn't had a fuck for a while – and we arranged to meet up the following evening for a drink.

We picked up where we left off, and there was definitely this spark between us, because after a couple of hours or so we were back at my flat fucking on the sofa. Result.

After that, we started seeing a lot of each other, and I was loving the regular sex. However, after a couple of months she started talking about marriage and us getting a place together, and I got a bit spooked. I soon started to realise that she was the controlling type. She kept making me go shopping for clothes with her and boring crap like that. There was no drinking in the local or going for an Indian – it was all poncey wine bars and tapas.

The final straw was when she brought a suitcase full of clothes round to mine and began putting them in my wardrobe. No wonder this bird was at a speed-dating night, she'd probably been given the boot countless times for being a fucking clinger.

There was no way I was going to settle down. Well, not with a girl who made me watch shit rom-coms and who seemed to think it was okay to move into my flat uninvited. So I had to get rid, but it wasn't that easy. Amy was round at my flat most of the time and was so

blissfully happy that I didn't have the heart to tell her to sling her hook.

Anyway, this one evening I got home from work to find her redecorating my living room, and I realised that something had to be done. I racked my brain and finally came up with a solution – I would tell her that I was gay, our relationship was a sham, and that I had to think about men when I was fucking her. Extreme situations require extreme measures, after all.

To say she didn't take the news well would be an understatement – she went fucking ballistic, shouting and crying and everything, before throwing together her things and storming out. She sent me 100's of angry texts and wailed down the phone at me, and even kept letting herself into my flat at all hours trying to get me to change my mind. It was fucking horrible.

Thankfully, after a few weeks it all calmed down, and I felt my life getting back to normal again. I started going out drinking with the lads and even chatting up a few girls. One night I got lucky and persuaded a fit girl to come back to mine.

In the morning, I was fucking this bird for about the sixth time when I heard the front door bang. Suddenly, Amy was in the bedroom, and I was caught red-cocked and mid-thrust. 'It's okay. I've come to give you back the keys...' she started. I can still picture the look of horror on her face now – it was awful. Suddenly she turned and ran out of the flat, slamming the door behind her. I think next time I'll stick to the conventional, 'It's not you, it's me...'

THAT'S NOT THE SPIRIT

A couple of months ago I took my girlfriend, Kim, to see that horror

film, *Paranormal Activity*. I thought it was daft and boring, but she was fucking terrified by it, and that night she made us sleep with the lights on. I'm sure she thought a ghost was going to come and get us in our sleep or something. Anyway, her being scared and all got me thinking about ways that I could have a bit of a joke and really put the wind up her.

The next night I managed to persuade a still pretty nervy Kim to sleep with the lights off, and then I put my plan into action. At first I just did little things like getting up once she'd gone to sleep and moving a few things around or opening a cupboard door or a window, but they definitely did the trick.

In the morning she'd ask me in a worried tone, 'Did you move the alarm clock?' and, 'Why's the wardrobe door open?' but I just shrugged and asked her what she was on about.

Anyway, after a few nights of this she started to get a bit freaked out, so I decided to take things further. Honestly, looking back I don't know what I was thinking of, considering how jumpy that bloody film had made her.

I waited until she was sound asleep and then reached over and threw the door open, before lying back down in

bed and letting it slam. It worked a treat and she was instantly bolt upright, obviously fucking terrified. I just lay there, pretending to be well away, snoring and everything. 'What the fuck was that, Pete?' she said, completely hysterical. 'The fucking door slammed on its own!' I just grunted and turned over, trying not to laugh.

The next night I did exactly the same thing and Kim started shaking me like crazy. 'There's something in the room!' she shrieked, eyes wide with panic. 'There's a demon in the room! It's a

demon!' Well I couldn't contain myself any longer, and I just started pissing myself. A fucking demon! Hilarious.

Unfortunately, Kim didn't think it was quite so funny. She slapped me really hard, grabbed the duvet and stormed into the spare room, and she's been sleeping in there for the past three days. I don't know about paranormal activity, but there's certainly no bedroom activity going on at the moment. She isn't even bloody talking to me!

SHE WAS INSTANTLY BOLT UPRIGHT, OBVIOUSLY FUCKING TERRIFIED...
